Important information

We record and monitor calls for training purposes, to improve the quality of our service, to help us deal with queries or complaints from you and to prevent and detect fraud and financial crime.

Claims procedure

In the event of a property emergency:

- 1) Please telephone **0330 175 7936** (lines are open 24 hours a day, 365 days a year) as soon as possible, providing us with your name, address, postcode, and the nature of the problem.
- 2) We will record your details and then decide on the best course of action to limit your loss and/or repair the damage. If the incident relates to an emergency covered under this policy, we will instruct a member of our emergency contractor network in respect of that claim only. We shall have no liability for any other work carried out by the contractor. Poor weather conditions or remote locations may affect normal standards of service.
- 3) If your property is powered by a biomass boiler, anaerobic digester system, air source heat pump or ground source heat pump, we will check your details and agree for you to choose a suitable expert to help. You will have to pay the contractor and send your receipt to us, we will reimburse your claim. Please send your receipt to www.arag.co.uk/newclaims
- 4) If you are claiming for alternative accommodation costs you must obtain our authority to incur costs before booking somewhere to stay. You will have to pay for the accommodation when you check out and send your receipt to us to be reimbursed.
- 5) It is important you notify us as soon as possible of any claim, and do not call out your own contractors unless we have agreed

as we will not pay their costs and it could stop your claim being covered.

- 6) You must report any major emergency which could result in serious damage to the property or injury, to the Emergency Services or the company that supplies the service.
- 7) Your call will be answered as soon as possible.

What happens if the insurer cannot meet its liabilities?

The insurer is covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation of up to 90% of the cost of your claim in the unlikely event that the insurer cannot meet its obligations. Further information about compensation scheme arrangements is available at www.fscs.org.uk
